

INFORMATION ABOUT THE **KIDS FOR KIDS FUND** **SPRING 2024**

Dear Students,

Are you concerned about kids in our community who may not have enough food, opportunities, love, and support? Do you want to help others who are facing big challenges? Here is your chance to learn more about how to help others in a program called **Kids for Kids Fund**. During this program you will:

- explore the needs and experiences of children
- learn about some great, local organizations
- explore how you can do good in our community, and
- give away \$1,000!

This program will take place over 8 sessions. At the end of the program, you will work together to decide which local, kid-serving organization should receive \$1,000. You are NOT responsible for raising the \$1,000, just for giving it away!

If you are interested, have your parents fill out the PARENT FORM.

Sincerely,
The Kids for Kids Fund team
