

INFORMATION ABOUT THE **KIDS FOR KIDS FUND** 2024/2025 SCHOOL YEAR

Dear Students,

Are you concerned about kids in our community who may not have enough food, opportunities, love, and support? Do you want to help others who are facing big challenges? Here is your chance to explore how to do that in a program called **Kids for Kids Fund**. During this program you will:

- explore the needs and experiences of children,
- learn about some great, local organizations,
- explore how you can do good in our community, and
- have a lot of fun!

This program will take place over 8 sessions. At the end of the program, you will collaborate with others to decide which local, kid-serving organization should receive \$1,000. This program is not about fundraising. This is about using your brain, your heart, your ears, and your voice to help kids in your community.

Sincerely,

The Kids for Kids Fund team!
