Service Learning Workshop - Session 7

NEW IDEAS	<p>Introducing the Service Learning Workshop</p> <ul style="list-style-type: none">• “In this program we will develop a deeper understanding of philanthropy. Just like math or science or soccer, we can all develop our skills and understanding of the topic.”• “You will learn more about yourselves, what you care about, and what is important to you.”• “In the end of the program we will be using what we have learned and explored together to pitch ideas to school leadership about how to make our campus more green. This is about you using your knowledge, your skills, and your ability to influence others to make change.” <p>What is Philanthropy</p> <ul style="list-style-type: none">• “Does anyone know what the word philanthropy means?” <p>Philanthropy Defined</p> <ul style="list-style-type: none">• “Philanthropy is giving of oneself for the good of humanity.”• “Let’s break this down as if we were explaining this concept to a younger sibling.”• “What is oneself? Any ideas?” - you, me• “What is for the good?” - to make things better• “What is humanity?” - people, humans• “So what is an easier way to explain philanthropy?”	5 min
CLOSING ACTION	<p>Adults vs Kids/Teens</p> <ul style="list-style-type: none">• “We are going to finish with this question, who is better at philanthropy, adults or kids/teens?”• “We will make a list of what would make kids/teens good at philanthropy and what makes adults good at philanthropy.”• “So let’s start with young people...” - examples could be kids are optimistic, care about things being fair, more creative, adults are good at finding why things can’t work.• “And what about adults...” - have more experiences, more resources	7-10 min
